

V-Class

Ergonomics can be seen from the "Duck nosed" edges of the worktops combined with beautiful ellipse handles

■ TEAMWORK

V-Class executive tables and side returns are fitted with adjustable leveling glides which will enable the tables to be properly assembled on even or uneven floors

## DESIGN

We have the professional expertise and experience in finding the perfect solution for your office space concept, by adapting to the style and behaviour of working professionals of today and the future.

## FUNCTION

Great flexibility and high level of user's comfort and performance can be achieved through Modera, because all of our functional furniture elements can be adapted immediately to your current space layout and can be easily upgraded from time to time.

## QUALITY

Some of the main characteristics of Modera are quality of its accessories and its melamine laminated cherry wood grain combined with black colours finishing.

■ EXECUTIVE

Wire caps on 2 sides of the worktop provide a stylish and practical way to route wires and cables rather than hanging them over table edges
